Using Gift Aid means that for every pound you give, we get an extra 25 pence from the Inland Revenue, helping your donation go further. This means that **£10** can be turned into **£12.50** just so long as donations are made through Gift Aid. Imagine what a difference that would make and it **doesn't cost you a penny!** So if you want your donation to go further, just tick the box.

I want this charity to treat all donations I make from the date of this declaration until I notify you otherwise as Gift Aid donations.
